Footnotes: 1 / One of the congressional reports specifically provided funds for this item using the phrases "only for" or "only to," or the item appears in one of the project level tables. Congressional prior approval is required before decreasing funds on this program. 2 / This effort was specifically reduced by one or more of the congressional committees. Below Threshold Reprogramming (BTR) authority cannot be used to restore specific congressional reductions. 4 / The following line items have been identified in the Explanatory Statement as requiring a prior approval reprogramming for transfers in excess of \$15 million out of these lines for Title II funds: Activity Group "Air Operations", which includes subactivity groups 011A Primary Combat Force and 011C Combat Enhancement Forces Activity Group; "Weapons Systems Sustainment", which includes subactivity groups 011M Depot Purchase Equipment Maintenance, 011V Cyberspace Sustainment, and 011W Contractor Logistics Support and System Support; Activity Group "Installations", which includes subactivity groups 011R Facilities Sustainment, Restoration, and Modernization, and 011Z Base Support; Activity Group "Flying Hours", which is only subactivity group 011Y Flying Hour Program. The explanatory statement regarding the DoD Appropriations Act, 2024 requests Secretary of the Air Force to provide to the congressional defense committees, 30 days prior to executing any organizational changes related to re-optimization for Great Power Competition, a notification describing how the current organizational construct differs from the proposed construct; a proposed phasing of this reorganization along with cost estimates to implement each phase; a proposed lay down of new offices, commands, or centers and whether the strategic basing process is required for their establishment; a description of impacts to military and civilians positions by location; and the programmatic impacts of such decisions. The explanatory statement further states that any funding used for this reorganization effort are designated a congressional special interest item. As of the date of issuance of the Base for Reprogramming, the Air Force implementation and budgetary plans remain in development and will be separately provided. For Operation and Maintenance, the Below Threshold Reprogramming limitation is \$15 million.
