Footnotes: 1 / One of the congressional reports specifically provided funds for this item using the phrases "only for" or "only to," or the item appears in one of the project level tables. Congressional prior approval is required before decreasing funds on this program. 2 / This effort was specifically reduced by one or more of the congressional committees. Below Threshold Reprogramming (BTR) authority cannot be used to restore specific congressional reductions. 4 / The following line items have been identified in the Explanatory Statement as requiring a prior approval reprogramming for transfers in excess of \$10 million out of these lines for Title II and Title IX (OCO) funds: Primary Combat Forces; Combat Enhancement Forces; Depot Purchase Equipment Maintenance; Facilities Sustainment, Restoration, & Modernization; Contractor Logistics Support and System Support; and Flying Hour Program. 5 / Section 8130 of the FY 2021 Consolidated Appropriations Act (P.L. 116-260) reduced amounts appropriated in Title II, Operation and Maintenance (O&M), by \$1,700 million to reflect savings due to lower than budgeted fuel costs. Because the Components purchase fuel using both base and overseas contingency operations funds; this reduction has been allocated proportionally to base and OCO O&M appropriations. General Provision 8130, funds have been realigned for fuel savings from base, \$+216.525 million, to OCO, \$-216.525 million, to reflect congressional intent for proper execution. For Operation and Maintenance, the Below Threshold Reprogramming limitation is \$10 million.
